- Before scheduling a contractor for your suite, please schedule a date/time with management; a COI is required.
- Please provide visitors with validations, as they will be subject to the new garage prices: \$20 without validation.
- Please look at the directional arrows when driving in the garage to avoid going the **WRONG WAY**.

MONTH OF MARCH

As the days grow longer and the sun shines brighter, it's time to spring forward into Daylight Saving Time! This means that we lose an hour of sleep when we "spring forward" but gain an extra hour of daylight in the evenings. Clocks will move forward by one hour on March 9. At 2 a.m.

MARCH SAFETY TIPS

There will be many days of rain during March. Texas should expect an average of 15 to 22 days of rain, so bring an umbrella to stay dry this month!
